Natalie then made a motion to approve the Human Resource Committee’s proposed change with one sentence eliminated from the Extended Emergency Closings section — “The Board, in its fiscal oversight role, may instruct the Director to reduce or suspend employee hours.” Stacey seconded. The motion (yes 8; no 2) passed.
- The committee also recommended the following regarding an end date for paying staff unable to work due to COVID-19 restrictions: “The Human Resources Committee recommends that we do not furlough any employees at this time due to the fact that we have received confirmation of funding from an Economic Injury Disaster Loan (EIDL) and the Paycheck Protection Program (PPP). If circumstances change at a later date, we would need to revisit the possibility of furloughing employees.” That motion from the committee was seconded by Judy on behalf of the board.
