The Central New York winter isn't quite over yet but the Kirkland Town Library is here to help pass the time until the spring sunshine .

Jump around this board game choosing the activities that you would like to do. Detailed instructions can be found at our curbside pick up area and online at [www.kirklandtownlibrary.org](http://www.kirklandtownlibrary.org).

Color in or check off the squares of the activities you complete.

At the end of the month, bring your completed board back to the Library. You'll get a prize plus tickets to earn more prizes in April!
