How It Works

First, **visit the Library** to sign up.

Then, **start reading!** Keep track of the time you read and mark it on your reading log. When you've filled in all the bubbles you've read 10 hours and completed our reading challenge!

When you're done, **bring your log back to the library** to enter our prize raffle. You'll also earn a bead for every bubble you fill in.

Show us your log, select your beads, and add them to your Read & Bead necklace. You'll receive a necklace and your first bead just for signing up. We'll have a new special collector's bead each week!

We are open
