Finding Beauty

This winter, we want to help you discover the beauty around you: in nature, art, music, books, and more!

Throughout February and March, we invite you to try twenty different activities that will have you visiting the KTL, getting out in the community, spending time at home, and much more.

HOW IT WORKS

We came up with twenty activities to help you find beauty this winter. They are all listed on the game board on the other side of this page.

For complete instructions for each challenge, pick up a copy of the activity guide or visit www.kirklandtownlibrary.org/finding-beauty/

Once you've completed an activity, come back to the KTL and we'll give you a sticker to cover the corresponding square on the game board. As you complete more activities and earn more stickers, you'll start to see a beautiful image.

If you complete at least ten activities, you'll win a special prize.

Everyone who completes all twenty can enter a raffle for a chance to win an even bigger prize!

Be sure to finish up by March 31. We'll hand out all the prizes during the first week in April.
