Kirkland Town Library

Get ready, get set, **start reading!**

Keep track of how much time you spend reading each week. You can read books, magazines, or newspapers, listen to an audiobook, or even read the back of a cereal box. It counts!

Report your reading time to the library every week, either by dropping off this week's log (below) or by sending an email to clinton@midyork.org. We'll record how much time our patrons have read and compare it to the total time read by the other libraries.

For readers ages 12 and up.

The deadline to submit your reading time is Sept 2.
