New Spring DVD and Blu-ray titles!

Spring is once again upon us and despite the occasional flurries still sneaking in (thanks upstate New York) the beautiful sunny and nearly 75 days that have been mixed in recently, remind us that winter is behind us and summer is on the way!

Spring is a beautiful time of year in Upstate New York as the greenery comes alive and buds begin to bloom, stirring us to find time to spend outside as much as possible. While the days are typically comfortable and bright, the cold still seeps in as the sun goes down bringing us back indoors for warmth. Looking for something to do during those cooler evenings indoors?

The Kirkland Town Library has a vast collection of DVDs to borrow for some movie entertainment. We even have a DVD and Blu-ray player available to borrow if you need.
